

John B. Konefal, MD

Certifications

Board Certified

American Board of Radiology, June 8, 1989

Licensure

North Carolina	#33538	March 18, 1989
South Carolina	#14252	February 8, 1989

Business Contact Info

Southeast Radiation Oncology Group, PA
200 Queens Road, Suite 400
Charlotte, NC 28204
Telephone: 704-333-7376

Education

Undergraduate / Bachelor of Science

Colgate University, 9/76 to 5/80
Hamilton, New York
Degree: B. A. (Combined majors-physics, chemistry, math)

Medical School

University of Vermont College of Medicine, 9/80 to 5/84
Burlington, Vermont
Degree: M.D. (Major - Internal Medicine)

Residency

University of Kentucky Medical Center, 7/84 to 6/85
Lexington, Kentucky
(Internal Medicine)

Mallinckrodt Institute of Radiology, 7/85 to 6/89
Washington University Medical Center
St. Louis, Missouri (Radiation Oncology)

Work history

Work

Southeast Radiation Oncology Group, PA, 7/89 to Present
Charlotte, NC
Position: Medical Director, Radiation Oncology
Practice Location: Lake Norman Radiation Oncology Center

Professional Associations

Professional Organizations

American Society of Therapeutic Radiology & Oncology
American College of Radiology
Gilbert Fletcher Society

Honors and Awards

Phi Beta Kappa
Graduated from Colgate University Magna cum laude
Assistant Chief Resident, Mallinckrodt Div. of Radiation Oncology 1987 to 1988
American Cancer Society Clinical Fellowship 1987 to 1988
American Cancer Society Clinical Fellowship 1988 to 1989
Chief Resident, Mallinckrodt Div. of Radiation Oncology 1988 to 1989

Research, Publications, & Teaching

Publications

First author:

1. "Malignant Melanoma: Analysis of Dose Fractionation in Radiation Therapy." Radiology. September 1987; Vol. 164:607- 610.
2. "Radiation Therapy in the Treatment of Chemodectomas." Laryngoscope. November 1987; Vol. 97. No.11:1331-1335.
3. "Analysis of Dose Fractionation in the Palliation of Metastases from Malignant Melanoma." Cancer. January 15, 1988; Vol. 61, No. 2:243-246.
4. "Radiation Therapy in Chemodectoma Treatment (letter to the editor)." Laryngoscope. April 1988; Vol. 98, No. 4:465-466.
5. "The Effects of Altered Fractionation Schedules on the Survival of Human Cell Lines Differing in Their Proliferative Activity and Repair Capacity." International Journal of Radiation Oncology, Biology and Physics. 1990 Vol. 17, pp. 1007 - 1013.

Co-author:

1. "Thermoradiotherapy of Malignant Melanoma." International Journal of Hyperthermia. 1988, Vol. 4, No. 4:373 - 381.
2. "Endocavitary Radiation for Rectal Carcinoma: Results with and without External Beam External Beam." Endocurietherapy/Hyperthermia Oncology. 1989; 5:195-200.

Presentations

1. "Radiation Therapy of Malignant Melanoma: Analysis of Dose Fractionation." The Radiological Society of North America, 73rd Scientific Assembly and Annual Meeting. December 3, 1987
2. "Endocavitary Radiation for Early Rectal Carcinomas: The Experience at Washington University." American Society Therapeutic Radiology and Oncology, 29th Annual Meeting. October 23, 1987
3. "The Effects of Altered Fractionation Schedules on the Survival of Human Cell Lines Differing in their Proliferative Activity and Repair Capacity." American Society Therapeutic Radiology and Oncology, 30th Annual Meeting. October 10, 1988

Personal Information

Place of Birth

New York, New York

Marital Status

Married to:

Kathy Konefal

Children:

Kaitlyn Konefal, 1993

Jaclyn Konefal, 1994

Kristin Konefal, 2000

Community Activities

Blue Cross/Blue Shield of NC Heme/Onc Advisory Panel	1998 – Present
North Carolina Representative for Carrier Advisory Committee for Radiation Oncology	1996 – Present
NorthEast Medical Center Chairman Cancer Committee	1990 – 2000
CARROS, North Carolina President	1996 – 1997
